### DETAIL inspiration

[DETAIL inspiration - online database for architects](#)

This new image and reference database uses precise, relevant visual inspirations to support architects in their search for construction solutions. With more than 3,000 projects from the last 50 years, DETAIL inspiration is a highly valuable source of research and inspiration for architects, giving access to reference photographs, sketches, technical product information, within a clearly structured search and selection system, with downloads available.

[IPA Source](#)

UCSI University Library is now offering its staff and students access to IPA Source. It is the web largest library of International Phonetic Alphabet transcription and literal translations of opera arias and solo art songs.

The resources is available at <http://www.ipasource.com>

[medici.tv](#)

- Can discover more than 700 events broadcast live from the most prestigious venues
- Can access largest online collection of classical music videos
- 1,500 original programmes with unlimited access & hundreds of new films each year
- Can also download our app via these links:

App Store: <https://itunes.apple.com/en/app/medici.tv-la-musique-classique/id776812468?mt=8>

There are a list of database/e-resources that can be used by users.
